

## Participation Rules

In order to be fair to all sponsors, we ask that all sponsors abide by the following rules moving forward.

- Hole sponsors are for one company representation only. Shared sponsorships are not available.
- No other vendors will be allowed to attend the event unless they are sponsoring the event or are a SIM Member.
- There can be at most 2 two sponsor representatives on a team. All other team members must be IT practitioners or SIM members.
- Any last-minute substitutes to a team must abide by the above rules.
- Sponsor team list should be submitted by April 14th.
- No liquor will be provided at the individual hole stations. That is reserved to the Beverage Stations only.
- Any separate games or activities at a sponsor hole must be pre-approved.

We do ask that all vendors act professionally and abide by the above rules. Failure to do so will affect the vendor's opportunity to sponsor future SIM events.
